HELP PRESERVE OAKLAND CEMETARY

Gary Campbell, who has lovingly provided restoration care to headstones in the Marine Oakland Cemetery over the years, recently completed an inventory of current maintenance and repairs that need to be done to preserve headstones in the cemetery. The list was presented to the Council at the April meeting. The majority of repair and maintenance to headstones require varying levels of masonry skill. Other jobs require only a strong back and a willingness to get your hands dirty. The City is seeking volunteers with these skills to adopt a headstone or two to repair and help preserve our City's heritage for future generations. If you are interested in doing so, please contact the City Office during business hours.

All Town Progressive Dinner

On Saturday June 5th, old friends and new neighbors gathered together for the 22nd Annual Progressive Dinner to benefit the Marine Restoration Society. Every year, citizens of Marine are invited to participate in the annual event. Participants spend an evening getting to know neighbors and friends while progressing from house to house to enjoy appetizers, soup/salad, and dinner courses. The entire group gathers for dessert at the Marine Village Hall. This tradition has become an important fundraiser for the Restoration Society and this year raised over \$2,500. If you would like to get involved in the Restoration Society or volunteer for an event please contact Jennifer Holloway at 433-5504 or Ann Myers 433-3308.
