The City of Marine has been working with Advanced Disposal to ensure that all neighborhoods within the City have their garbage and recycling collected using the best equipment suitable for our town and in the most efficient manner possible. As a result, the collection day for both garbage and recycling will be changing from Monday to Tuesday. Advance Disposal will be sending a letter to all residents addressing this change within the next week or two. This letter will advise you of the exact date the collection change will take place. After receiving this letter, if you have any additional questions or concerns please feel free to contact the City office.

## 2013

### *Annual Fireman's Street Dance a GREAT! success*

The Marine Volunteer Public Safety department would like to extend a special thank you to Lorelee DiLorenzo, all of the volunteers and the supporters who continually dedicate their time and energy to make this event so enjoyable for everyone! Also a big thank you to all of the people who continually support this event with their attendance and donations. Over \$7,000.00 was raised during this event. If you are still interested in making a donation to the Marine Public Safety Department you may send your donation to the City of Marine at PO Box 250, Marine on St. Croix, MN 55047.

## Public Works

### *ROADS INFORMATION*

The seal coating for this year will be a Trap rock Seal Coat. The application is messy for about two weeks and then the excess is swept up and the road is left with a new surface that will be blue in color. The roads that are being seal coated this year are; Berkey, Holmes, Rose, Rosabell and Pine Street between Second and Third Street.

**Seal coating and crack filling is an important procedure to have done to preserve the roadway for years to come.**

### Public Trail Announcement

While the City encourages all residents to use and enjoy the City trails, there are a few guidelines to remember which will help improve safety and enhance the beauty of the trail system. If you have any concerns please contact Council member Chris Mowery at 651-433-4957.

### General User Guideline:

- ◆ **No Horses!** All Marine City Trails are Posted "**No Horses**" Due to trail damage and erosion concerns.
- ◆ Keep right so others can pass.
- ◆ Obey traffic signs and rules.
- ◆ Respect adjoining landowners rights and privacy.
- ◆ Share the trail with others.
- ◆ Enjoy the beauty of nature and do not disturb the plants and animals.
- ◆ **No motorized traffic** (except for motorized wheelchairs).
- ◆ **Keep all pets on a leash** and remove all waste.
- ◆ Pick up all garbage and litter.
- ◆ Warn other trail users when passing.
- ◆ Stay on designated trails; do not take shortcuts.

**COMPOST SITE**

**Wednesdays, noon to 7pm and Saturdays from 9am until 4pm.**

**The City asks that you please abide by the following rules**

1. No garbage bags. (Please take all paper and plastic bags home with you)
2. No sticks or brush!
3. No Trash! (This is NOT a dump. Please keep all glass, metals and plastics out of the compost pile)
4. The brush pile is available for Marine residents only! (The compost attendant will have a list of all Marine residents. If you are not on the list, please contact the City office.)
5. As always, the compost site will close during weather when there is thunder and lightening.

**Mill Site**

The Minnesota Historical Society (MHS) has approved funding for the Mill Site for the next 2 years. This will help us to continue our improvements at the Mill Site.

We are in discussions with MHS for improvements to the trail to the river behind the General Store and are cautiously optimistic these will happen by this fall.

A short grass prairie is being established on the east side of the upper trail, around the kiln ruins.

All Fund-A-Tree trees survived despite last summer's drought, due to the watering efforts of volunteers, particularly Jack Warren, Anne Reich, Jim Schoeller and David Stephens. Quite remarkable.

Removal of most large buckthorn, black locust and other undesirables along Mill Stream ravine.

The Village Center Task Force and our Mill Site Committee are coordinating the efforts around the Mill Site.

**40th Annual  
Marine Art Fair**

Mark your calendars for the 40th Annual Marine Art Fair on September 21st and 22nd from 10am- 5pm each day. Proceeds benefit the Marine on St. Croix Public Safety Department. Applications are available on the Marine events website [marineonstcroix.org](http://marineonstcroix.org) or by calling the city office during business hours at 651-433-3636.

**BURNING PERMITS**

**FIRE PERMIT FEE** The cost per permit is \$5.00 for piles or \$15.00 for a pre-scribed burn permit. Each permit is good for up to 3 consecutive days. You can contact the City office during regular business hours Monday thru Thursday to obtain a permit.

**MOSC NEWSLETTER**

Check out the events website at [www.marineonstcroix.org](http://www.marineonstcroix.org)

You can view past and present Newsletters and even sign up to receive them electronically. You may also call the city office during regular business hours with your email information.

# Marine Restoration Society

Marine Restoration Society - PO Box 131

**Next Meetings :** To be announced

## ***Marine Restoration Officers:***

***President - Ann Myers, Vice President - Megan Kavanagh ,  
Treasurer - Stacia Rivers, Secretary- Sue Logan,  
and Member at Large Jennifer Holloway***

## **Progressive Dinner-A Spring Highlight**

On Saturday June 1st, old friends and new neighbors gathered together for the 24th Annual Progressive Dinner to benefit the Marine Restoration Society. Every year, citizens of Marine are invited to participate in the annual event. Participants spend an evening getting to know neighbors and friends while progressing from house to house to enjoy appetizers, soup/salad, and dinner courses. The entire group gathers for dessert at the Marine Village Hall. This tradition has become an important fundraiser for the Restoration Society and this year raised over \$2,000.00 If you would like to get involved in the Restoration Society or volunteer for an event please contact: Jennifer Holloway at 433-5504 or Ann Myers 433-3308.

## **Historical Walking Tour Maps**

The Marine Restoration Society in conjunction with the Parks and Trails Committee of the City of Marine have partnered to produce an Historical Walking Tour Map of Marine on St. Croix. The map is available at local businesses and at the City offices for \$5. Proceeds from the sale of the map support the work of the Restoration Society, which promotes the cultural and historical awareness of the village. Summer is a great time to explore the neighborhoods of Marine. Each of the walks takes 45 minutes or less. We also have a limited supply of flat maps (not folded) suitable for framing. If you are interested in these please contact the City of Marine.
